

Natural Gas Alarms Save Lives

DeNova Detect™
By New Cosmos USA, Inc.

New Cosmos is the world leader in Natural Gas leak detection

US Challenges Caused by Natural Gas Explosions

Often the focus is on smoke and CO, but Natural Gas explosions have devastating impacts. Gas leaks due to faulty appliances and aging infrastructure can often lead to thousands of displaced people and communities, injuries and even deaths.

Maximize Your Safety with 6 Yr. Battery-Powered DeNova Detect Gas Alarms
